

# Create a Legacy of Hope and Healing

Gift commitments made today will shape pediatric care and research for generations to come.

## 5 Ways to Give Through a Financial or Estate Plan

1. Will or Trust
2. IRA
3. Donor-Advised Fund
4. Gift of Stock
5. Life Income Gifts

## Bequest Language

Naming Lurie Children's as a beneficiary of a will or trust is one of the easiest ways for donors to leave a legacy, creating a healthier future for all children.

Sample bequest language for a will, codicil, or revocable living trust:

I give (legal description of property, specific dollar amount, desired percentage or rest, residue and remainder of my estate) to Ann & Robert H. Lurie Children's Hospital of Chicago Foundation, an Illinois not-for-profit corporation, located at 225 E. Chicago Avenue, Box 4, Chicago, Illinois, to be used in support of its mission OR to support (program or department) at Lurie Children's.

## Charitable Beneficiary Designation

To designate Lurie Children's as the charitable beneficiary of an IRA, life insurance policy or donor-advised fund (DAF), simply share the below information with your administrator:

**Legal name:** Ann & Robert H. Lurie Children's Hospital of Chicago Foundation  
**Address:** 225 E. Chicago Avenue, Box 4, Chicago, IL 60611  
**Federal Tax ID:** 36-3357006

## John P. Wilson Society: An Opportunity for Thanks

Those who have made a commitment to the future of pediatric medicine and science by including Lurie Children's in their estate plan through a bequest in a will or living trust, a charitable gift annuity, a charitable remainder trust, or naming the Hospital as beneficiary of a life insurance policy, retirement plan or other arrangement are recognized through membership in our legacy group, the **John P. Wilson Society**.

- Donors share only as much information about the gift as they are comfortable sharing and recognition preferences are respected.
- Conversations about gift designations are encouraged, ensuring the donor's wishes and legacy are understood and fulfilled.

# About Lurie Children's

Ann & Robert H. Lurie Children's Hospital of Chicago provides superior pediatric care in a setting that offers the latest benefits and innovations in medical technology, research and family-friendly design. As the largest pediatric provider in the region with a 139-year legacy of excellence, kids and their families are at the center of all we do.

As a non-profit medical center, Lurie Children's relies on an engaged and supportive community to elevate the standard of medical care for more children, create innovative programs, accelerate cutting edge research discoveries and work with community partners to make Chicago's neighborhoods safer for children. None of this would be possible without the support of loyal donors, generous volunteers and strong advocates.
